One of the biggest farms in the Kansai region

You can experience local Japanese culture, industry, agriculture and a variety of foods
all whilst interacting with the locals in a rich natural environment.

It only takes about 40 minutes from Kansai Airport,
or 60 minutes from Osaka City by car.

Visit here and make your trip
even more spectacular!

Strawberry Picking

Enjoy Strawberry Picking! The strawberries produced at the Izumi-ogawa strawberry farm are cultivated with so much care and attention that they are unbelievably fresh and fit enough that they are regularly used by famous hotels and food companies.

We have been growing 8 kinds of strawberries such as "Beni-Hoppe" (which is popular species in Japan).

COVID-19 prevention measures
are enforced with utmost care

Harvesting Activities

Strawberries in spring; blueberries and corn in the summer; sweet potatoes in the autumn; Oranges in winter! You can harvest many types of fruits and vegetables all-year-round!

Barbeque and Brick oven pizza

You can barbeque and make pizza with a variety of freshly harvested produce.

Cooking

You can try your hand at many kinds of dishes using food that is locally produced in Osaka. Do this whilst engaging with the locals.

Experience traditional culture

In a quaint house located near the farm, visitors can experience "sutra-writing by hand" (tracing Buddhist paintings and chants with an ink brush).

Farmers' Market

Stupendous stalls sell and serve a variety of local dishes and locally-made goods.

Hiking and Cycling

Walking or cycling along the pathways leading from the farm, you will discover places of worship and a waterfall.

Cafe and Restaurant

There is a pretty food truck called "Ichika" and a cafe called "GREEN ROOM". Have a break with Instagenic dishes.

Lodging

You can do glamorous camping on-site. There are also some hotels in the vicinity (Right).
