

Unearthing the treasures of Chinese Studies

UDP's logo reflects its vision: the blue ocean symbolizes Taiwan's open and inclusive spirit, while the red pearl represents the refined treasures of Chinese studies and a focus on scholarly depth. Since 1992, UDP has built a Taiwan-based brand committed to high-quality humanities and social sciences databases, driven by continuous innovation — including Al image search, colorization, and multilingual tools launched from 2023 to 2025 — redefining the digital research experience for Chinese-language scholars.

Out-of-Print Classics

(Published from 1949 to 1992)

Documenting dissent under Chinese authoritarianism -- from Taiwan to Hong Kong

Zhuanji Wenxue Digital Archive

- •Since 1962 700+ issues, 15,000 articles, 130 million characters
- Complementary to official national histories, filling key historical gaps
- A cornerstone for Republican China studies
 an exclusive must-have archive
- Complete original layouts with the only full-text searchable edition

Witnesses to History

Firsthand accounts of modern China's most remarkable lives:

Generals, officials, spies, elites, gang leaders, performers Biographies, diaries, memoirs, oral histories, rare documents

The Continent Magazine

Global Hub of Sinology After 1950

(1950–2002) — 7,012 articles, 62 million characters, 867 issues, 1,400 contributors

- •Founded by leading academicians of Academia Sinica
- •Tracks modern Chinese thought and key scholarly trends
- Captures 50 years of global Sinology
- Covers humanities and social sciences
- •Exclusive archive not available elsewhere

Chinese Classics

With exclusive or unique content from Taiwan, China, and the U.S., this series highlights 5,000 years of Chinese culture through digital innovation.

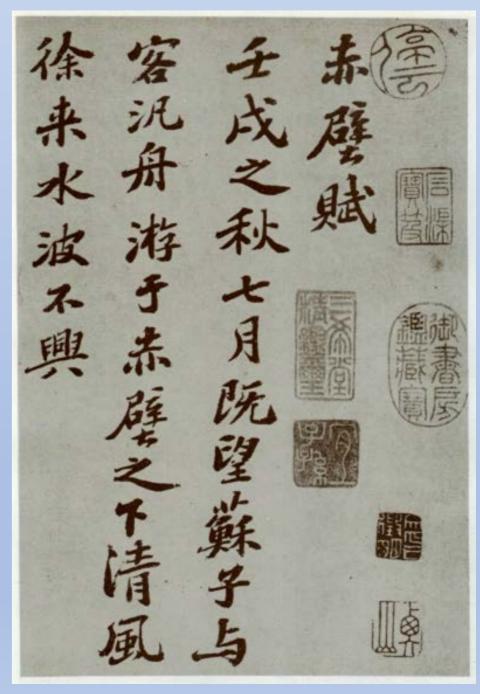

Chinese Calligraphy and Inscription Collection

The most Complete Archive of Renowned Chinese Steles & Calligraphy

- 4,268 rubbings by 700 calligraphers (Pre-Qin to Qing)
- Unicode-based, fully searchable including variant characters
- Supports appreciation, teaching, research, and textual analysis
- Only database integrating full rubbings, single-character images, and searchable text

Single Character Database

China Bronze and Stone Rubbings Collection

World's Sole Full-Text Digital Archive of Original Rubbings 81,000 exclusive rubbings digitized and globally unveiled for the first time

- •111,858 images, 83.64 million characters over half newly uncovered
- Pre-Qin to 21st century, Rare rubbings from Greater China, Asia, Europe, and the U.S.

The largest and most complete archive of original stone and bronze rubbings across dynasties

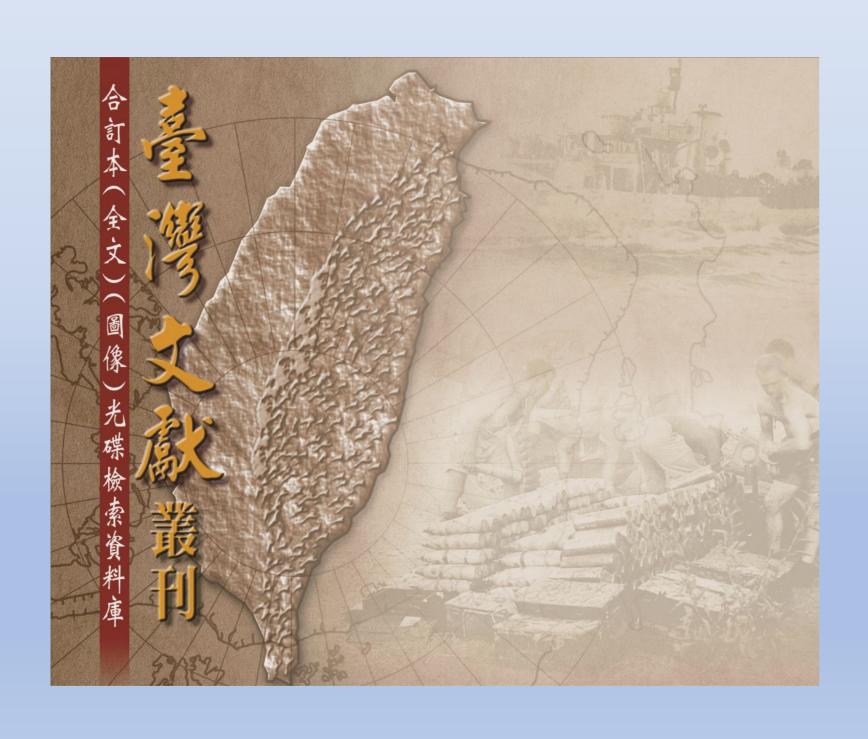

Key Difference from Traditional:

Based on first-hand artifacts from excavation sites and surface finds—not secondary sources. Features original rubbings with character-by-character verification and full-text searchability.

Each piece includes: high-quality full rubbing, complete transcription, and accurate contextual data to ensure scholarly value.

Taiwan Wenxian Congkan

Taiwan's Most Comprehensive Historical Archive

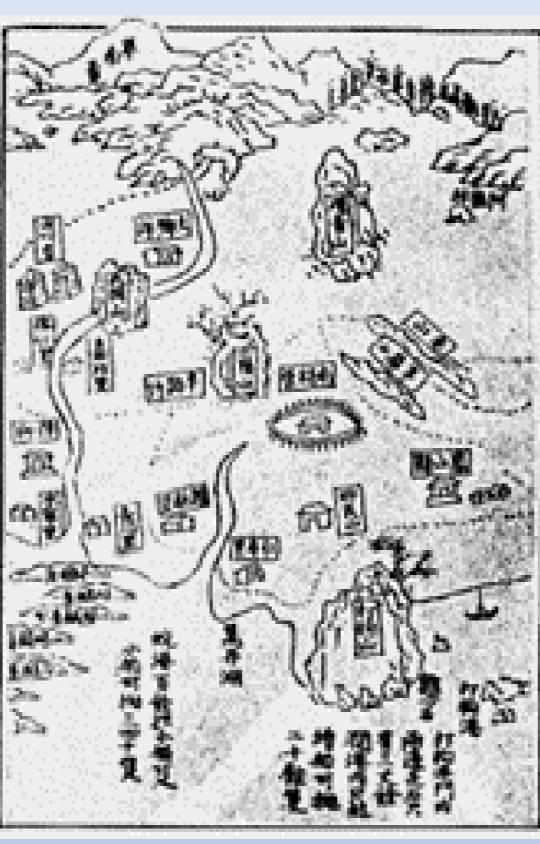

- •Includes Taiwan gazetteers, Ming-Zheng records, Qing archives, Southern Ming texts, and literary anthologies—both official and private works
- A vital resource for local history education and cultural research studios
- •Fast full-text search with Full images
