Writing from personal and professional experience, Aaron Kipnis shares both the riveting story of his own troubled youth-and how he turned himself around-and the successful approaches he has used to help "bad boys" become good men. Angry Young Men offers specific, practical advice for parents, teachers, counselors, community leaders, and justice professionals-- everyone who wants to help at-risk boys become strong, productive, caring, and compassionate men.

Aaron Kipnis has seen deeply, not only into the souls of troubled boys and adolescents, but also into those aspects of the spirit of our culture and our epoch that have turned an unprecedentedly large portion of our boys and young men into the perpetrators and victims of violence. Bad Boys. Living in a House on Fire. Slipping Through the Cracks at School. Mean Streets. Juvenile Injustice. Writing from personal and professional experience, Aaron Kipnis shares both the riveting story of his own troubled youth-and how he returned himself around-and the successful approaches he has used to help "bad boys" become good men. It offers educators insights into how to work with disruptive boys and shows counselors and community youth leaders how to build trust and bring about change with troubled youth. For every destructive or violent act that the author experienced, he offers an antidote - based on inside knowledge.

Angry Young Men offers compelling strategies for everyone concerned about how we can save our young men. Subject Term: Male juvenile delinquents -- United States.
